SOLDER SPECIAL

Use solder? Who doesn't!!! Here's a special you won't want to miss:

We have 60/40 solder in two gauges: 1.25mm (18g) and 0.71 mm (22g). Some people prefer thicker solder, others like the thin stuff.

Here's the offer: Buy a 200g roll of solder, and we'll give you a hobby pack (approx 30g) of the other gauge free!

That's a saving of \$1.20!!!

So you get the best of both soldering worlds – and save at the same time.

SPLITTERS / COMBINERS

If you have two or more TV sets (win the lottery, eh?) you can easily run them from one antenna with one of our splitters. All you have to do is work out how many splits you want (eg two or four) and whether you are using a 300 ohm (ribbon) feed or a 75 ohm (coax) feed system.

And even more: if you have two or more antennas and want to run only one feed line, you can use a splitter 'backwards' as a combiner. It's that simple!

2-way 300 ohm splitter/combiner Cat L-4218 \$2.85

2-way 75 ohm splitter/combiner Cat L-4472 \$3.65
